

*PAYMENT CARD INDUSTRY DATA SECURITY STANDARD
CERTIFICATE OF COMPLIANCE*

AWARDED TO

DHISCO

This certificate is valid for one year from the date indicated.

This certificate of compliance attests that **DHISCO** was validated as **Level I Service Provider** against PCI DSS v3.2

K3DES makes no representation as to the security or vulnerability of the organization listed above. Compliance with PCI-DSS is assessed by K3DES at a point of time and may not be extrapolated to infer security in general and as to the current status of compliance. As well, K3DES does not represent, warrant or guarantee that the organization's card holder environment is not vulnerable to compromise or attack. Therefore, K3DES shall not be liable to any third party should an event of loss or damage occur, whether or not caused by any failure or breach of the organization's payment's systems or payment applications.

Awarded this **6 August 2018**

A handwritten signature in black ink, appearing to read "Howard Glavin", written over a horizontal line.

**Howard Glavin
